

## *First Born Child*

*A precious gift we embrace today  
"Hello world!" I hear you say  
A precious gift we hold in our arms  
You captured our hearts with your charm*

*Wisps of soft down-like hair  
Eyes like gems at us you stare  
Our hearts they melt, they skip a beat  
Such wisdom in the stare we greet*

*We have such hopes and dreams for our first-born child  
Serene, gentle, soft-mannered and mild  
A child of wisdom we hold and know  
We honour your life path of growth*

*Creation is such an awe-inspiring thing  
Such incredulous feelings swirl within  
As we gaze at your beautiful face today  
These are the words we would like to say:*
